

Test-Taking Tips

1. Write your name on the test.
2. Read the directions carefully. Make sure you know exactly what you are supposed to do.
3. Read the question twice. Make sure you understand what the question is asking.
4. Read the answer choices for the question. Eliminate choices that do not make sense.
5. Mark your answer carefully.
6. Check your answer. Make sure that it makes the most sense out of all the answer choices.
7. If you have difficulty answering a question, you may want to go on to the next question. You can come back to difficult questions later.
8. If you finish the test early, go back and check all your answers.
